El dorado y el plateado en sus diferentes texturas ofrecen infinitas posibilidades para ambientes irresistibles.

El acabado Bronce y el acabado Acero, ambos en una base inox, conjugan el metal con materiales nobles, para ambientes de vanguardia.

The different textures of gold and silver colors offer endless possibilities for irresistible spaces.

Bronze and Steel finish, on a stainless steel base, combine metal with elegant materials, thus creating modernist spaces.

Lavish and meticulous care over the details is what makes a room something exquisite. The use of mosaic tiles with gold and the various possible textures that can be applied provide distinction and elegance. The glass mosaic tiles are also an ideal component for the creation of unique bathroom spaces.

Suntuosidad y cuidadoso trato a los detalles, es lo que hace de una estancia algo exquisito. El empleo del mosaico con oro y las texturas empleadas aportan distinción y elegancia. El mosaico vítreo además es un componente ideal para la creación de espacios de baño únicos.

La somptuosité et le soin des détails font d'une pièce quelque chose de raffiné. L'emploi de la mosaïque d'or et les textures utilisées donnent de la distinction et de l'élégance. La mosaïque vitrifiée est également un composant parfait pour la création d'espaces de bain uniques.
